

Senior parents!

Congratulations you have a senior student! Graduation is just around the corner so why not get an early start and acknowledge their accomplishments with a senior tribute in the 2010 yearbook.

The Crusader yearbook staff is making preparations for the 2010 yearbook 4 years of You, 75 years of Us. This is a chance to congratulate your senior on their academic achievement, spiritual growth, athletic skill and with any other words of appreciation.

If you are not familiar with this tradition, take a look at past yearbooks and see what a special treat this is to give thanks for what has taken place in their lives. It is extra special this year due to the 75th anniversary of the school. Also, this is the first year we will be in all color and will have a June delivery of the book. All spring activities will be included in a supplemental insert that will arrive in the fall.

Tribute space is divided into quarter, half, and full pages. A template is provided so all that has to be completed are pictures choices and message. Please fill out the enclosed order form and return to the yearbook staff. We look forward to celebrating the class of 2010.

Thank you,

Ashley Snyder and Bri Dupuy, tribute editors
