FOR IMMEDIATE RELEASE

### *Mayfair Athletic Director Heads to Valley Christian High School*

Mr. Zac Chan will become the new Athletic Director at Valley Christian High School effective July 1. Prior to joining Valley Christian, Zac was the AD at Mayfair High School where during his 6-year tenure, Mayfair teams captured 36 Suburban league championships, 3 CIF titles, and 4 CIF runner-ups. In 2008, Mayfair was one of 10 athletic powerhouse high schools referred to as a "competitive anomaly" by a public/private school committee in proposals to CIF. The designation was based on sports dominance over a 5-year period and also included Long Beach Poly, Dominguez and Orange Lutheran.

Zac will take over a highly successful Valley Christian athletic program that has garnered 177 league championships, 29 CIF titles, 3 state runner-ups, 3 state titles, and one national championship (girl's volleyball 1998). Co-Principal Mike Wunderley says, "Valley Christian has built an outstanding tradition of athletic success and we believe Zac's impressive record at Mayfair and his reputation for excellence will result in continued success for Crusader Athletics."

Before rising to the post of AD, Zac's record of success also includes 11 years as head varsity boy's volleyball coach where he achieved 7 league titles and 1 CIF championship. Zac also has assistant coaching experience in varsity football and varsity baseball.
