

7th Grade School Supplies List

2021-2022 School Year

Dear Parent (s),

Below is a list of school supplies for the 7th grade school year. We thought you would appreciate a copy of the list in advance to take advantage of any summer sale and/or to get a jump on preparing for a great 7th grade year come August! We look forward to partnering with you and your child next year. Enjoy the rest of your summer!

~ 7th Grade Team of Teachers

List of Supplies:

- Any type of **organizational binder** with a 3-ring capacity (all teachers frequently give handouts that are 3-hole punched; binder dividers can help students stay organized; binders that can “zip-up” are typically favored)
- **Headphones** (note: we often use these in class with the iPads in an “unpredictable fashion,” so a pair that the student can leave at school rather than taking to and from home would be advised.)
- **Lined Notebook paper** (any type ok to be used for all classes)
- **Pencils** (required in Math), **pens** (red, plus black or blue), **highlighters**
- A set of **colored pencils** (all classes)
- **12-inch ruler (must display inches and centimeters)** (Math class)
- **Protractor** (Math class)
- **Calculator** – Please purchase the **Texas Instruments TI-30X IIS** for uniformity in classroom use (Math class) Note – we will download free calculator apps for the iPad, but the TI-30 IIS must be used for ALL tests and quizzes
- **100 Count pack of 3 x 5 index cards** (English 7)
- **1 Hardcover, plain marble Composition book** (History)
- **1 box of tissues, 1 canister of Clorox wipes** (Advisement class)
- **Deodorant** (to be left in PE locker)
- **iPad** – be sure to check iPad guidelines form document for all iPad and case requirements
