

8th Grade School Supplies List

2018-2019 School Year

Dear Parent(s),

Below is a list of school supplies for the 8th grade school year. We thought you would appreciate a copy of the list in advance to take advantage of any summer sales and/or to get a jump on preparing for a great 8th grade year come August! We look forward to partnering with you and your child next year. Enjoy the rest of your summer.

8th Grade Team of Teachers

List of Supplies:

- **NIV Study Bible** (Note: The NIV Translation is used in the Valley Christian School system. While middle schoolers will have access to an NIV Study Bible app on their iPad, some students may prefer a physical Bible. A physical Bible is not required.)
- Any type of **organizational binder** with a 3-ring capacity (all teachers frequently give handouts that are 3-hole punched; binder dividers can help students stay organized)
- **Small ear-bud type headphones** (note: we often use these in class with the iPads in an “unpredictable fashion” so a pair the student could leave at school rather than taking to and from home would be advised)
- **Notebook paper & graph paper** (any type ok, to be used for all classes)
- **Pencils (math), pens, highlighters, colored pencils**
- **12 inch ruler (must display inches & cm)** (math class)
- **Protractor** (math class)
- **Calculator**--Please purchase the Texas Instruments **TI-30X IIS** for uniformity in classroom use (math class; note: we will download free calculator apps for the iPad, but the TI-30 IIS must be used for all tests and quizzes.)
- **2 boxes of tissues** (Advisement class)
- **Deodorant** (to be left in PE locker)
- **iPad** – be sure to check iPad guidelines form document for all iPad & case requirements
- **3 x 5 Index Cards** (100 count, lined)
- **1 Composition Notebook** (college or wide ruled, 100 pages) for math class
