8th Grade Team of Teachers

LIST OF NEEDED SUPPLIES:

- **NIV Study Bible**—note: the NIV Translation is used in the Valley Christian School system. While middle schoolers will have access to an NIV Study Bible app on their iPad, some students may prefer a physical Bible. A physical Bible is not required.
- Any type of **organizational binder** with a 3-ring capacity to help students stay organized—all teachers frequently give handouts that are 3-hole punched.
- **Small earbud-type headphones labeled with student's name**—note: we often use these in class with the iPads in an “unpredictable fashion” so a pair the student could leave at school rather than taking to and from home would be advised.
- **Notebook paper & graph paper**—any type is ok and will be used for all classes.
- **Pencils, pens, highlighters & colored pencils**
- **Compass and protractor** (geometry students only)
- **Calculator labeled with student's name**—please purchase the **Texas Instruments TI-30X IIS** for uniformity in classroom use (students will have a free calculator apps on their iPad, but the TI-30 IIS must be used for all tests and quizzes)
- **2 boxes of tissues** to be given to the student's Advisement teacher
- **Deodorant** to be left in PE locker
