

## 2023 VCHS School Supply List

VCHS students are encouraged to organize themselves in whatever way works best for them and buy supplies that best fit their needs. However, some teachers have requests for their specific classes listed below. Also, the school office welcomes any donations of Kleenex or disinfecting wipes! Thank you!

### **Calculators**

\*The TI 84 (or higher) graphing calculator is required for all of the following courses:
