

**Enrichment Classes - Spring 2023
Tuesdays, April 4 - May 2
Tuesdays, 3:00 - 4:00 PM**

The following classes are being offered for the 2023 Spring Session. If you would like to participate in an enrichment class, fill out the form below and **return with your payment by Friday, March 17**. Please indicate your preferences by putting a "1" before your first choice and a "2" before your second choice. The fee for each class is \$30.00 to cover the instructor stipend. There may be an additional fee for supplies, please check below. Space is limited. **Class availability is on a first come, first serve basis.**

Little Adventurers Craft Club \$5.00 Supply Fee Grades: TK - 2 Instructor: Lakyn Wynn
Fun, hands-on STEAM-based crafting classes designed to teach important skills that will help kids thrive as the creative problem solvers and innovators of tomorrow. Each week we will create a fun craft for all the little adventurers to take home. We will be creating things like cool caterpillars, shark crowns, oversized ice cream cones, and more! This class will be taught by Lakyn Wynn with Plum Forest. **Limited to 20 students.**

Sweet Treats \$15.00 Supply Fee Grades TK-6 Instructor: Jade Warners
Join us as we have fun creating sweet treats! Students will learn basics such as food preparation and measuring techniques while getting to enjoy their yummy creations. *Please bring a labeled plastic cutting board and a mess kit (plastic fork, spoon, knife, cup, bowl and plate) to the first class meeting to be used for the entire class.* **Please note that there will be no class on Wednesday, April 18. This class will be made up on Wednesday, May 9.** Please notify the teacher of any food allergies prior to the first class. **Limited to 30 students.**

To The Moon and Beyond With Artemis and Snoopy! \$5.00 supply fee Grades: 2-5
Instructor: Miss Leestma
Experience an amazing fusion of facts and hands-on fun! Students will learn about NASA's Artemis Generation, facts about the moon, and about NASA's Future of Space Exploration through "make and take" activities. They will also discuss NASA's Artemis program which has already begun with a successful Artemis I mission including Snoopy. Artemis II and Artemis III will be discussed as they will include the first woman and next person of color to walk on the Moon with future astronauts someday, landing on Mars! **Limited to 18 students.**

Feelin' Crafty? \$15.00 supply fee Grades: 3 - 6 Instructors: Ms. Hubbard & Mrs. Newman
Are you feelin' crafty? Come join us to make some fun crafts and meet new friends! We will be making a different craft each week using different skills and techniques. **Limited to 20 students.**

Life Hacks \$5.00 supply fee Grades: 4 - 6 Instructor: Carrie Dean
This class is designed to teach you basic life hacks and skills. We will cover skills such as changing a tire, first aid, sewing, budgeting, and even how to survive a shipwreck. Prepare yourself for lots of fun, hands on learning! **Limited to 15 students.**

Basketball - Skills and Competitions Grades: 4 - 6 Instructor: Mr. Korver
Come learn basic basketball fundamentals and contests in a fun environment! Basketballs will be provided. Students should come prepared in athletic clothing and shoes. **Limited to 15 students.**

Handbells: Grades: 5 - 6 Instructor: Mrs. Struiksmma
Come and learn how to play handbells! If you would like to be ready to try out for this handbell choir in middle school and high school, come join this class and learn the basics. Class will take place at the VCHS campus. Students will be given a bus pass to be taken to the high school each week. **Class priority will be given to 6th grade students. Limited to 12 Students.**

----- Please return bottom portion to the office -----

Please send your payment of \$30.00 and any additional cost to cover the class supply fee if listed above. If paying by check, please make checks payable to VCES and return to the OFFICE no later than Friday, March 17th. Class sizes are limited and fill up quickly.
