

*VCMS Principal, December, 2016*

*Valley Christian Schools is seeking a full-time principal for grades 7-8 to begin July 1, 2017. Contained within this full-time position will be additional duties to support VCS in building and sustaining high quality instructional support for all of its students. Additional duties could include, but are not limited to the following: teaching, instructional technology lead for grades 7-12, oversight of spiritual growth, innovative instructional lead, coordination and oversight of student support programs (tutoring, accelerated offerings, resource support, etc.)*

*VCMS is a thriving environment for students with a strong faculty and staff who are called to work closely with the middle-level student. The MS principal must possess a strong understanding of MS philosophy and instructional practice, while being innovative in order to meet the learning needs of the MS student. Additionally, the MS principal must work closely with the HS principal to ensure continuity of programs and course offerings are in place to support students as they transition to High School.*
